motion>medical is a private medical service and health facility. You will receive a detailed invoice for received services which need to be paid for privately. You can submit this invoice to your health insurance and depending on your insurance, the costs might be refunded partially.

Arrive on time for your appointment as missed time cannot be resumed and reduces your therapy time.

Cancellation policy: If you cannot keep your appointment, you need to cancel your appointment 48 hours in advance as otherwise the appointment will be invoiced.
